

## Welcome to Tinies at The Walled Garden

Within the crèche we greet everyone, big and small, with a smile and pride ourselves on delivering a quality, caring, playful and interactive learning environment for all the children in our care. The children will have the opportunity to enhance their life skills and build on their own unique charter through a variety of activities that will wow and captivate them, creating magical moments and discover new experiences.

We do like to head out on adventures from time to time so please don't forget those rain coats and sun hats!
