

SocAA: Society of Artists in Architecture

Friday 3 September to Friday 1 October

The SocAA is delighted to be able to show the work of its members in the Royal Automobile Club Picture Gallery. It is an Art Society that brings together Architect-Artists and other Artists who enjoy architectural subject matter. Originally the SAA (Society of Architect Artists), it has broadened its membership in recent years to become more inclusive.

Members are elected by peer selection. The Society holds an Annual Exhibition at the Coningsby Gallery in Fitzrovia, usually in November. Other exhibitions such as this one, are held from time to time. Members' work can also be seen on the Society website - www.socaa.co.uk.

The selection of works here are a typical cross-section of members' styles and techniques. Many of the pictures on show are of architectural subjects, but some architect members choose to express themselves with other subject matters. For more details of the Society's exhibitions, please see the website.
