

# Woodcote Juniors

2021

# Welcome

Woodcote Junior membership – for children aged up to and including twelve – is open to the children, grandchildren, nieces and nephews of Full Members.

Membership provides a wide variety of benefits, including discounts and access to special events, classes, coaching, after-school clubs and holiday activities – with something for every age and ability.

These make full use of the wonderful facilities at Woodcote Park including, from March, the new Walled Garden family facility with its children's pool, café, soft play area and extensive range of indoor and outdoor play areas.

## Discounted Prices
