

Urban Landscapes

Richard T Rees FSAI, VPPS, SocAA

Friday 1 to Friday 29 October

Richard is an oil pastel and oil painting artist, who was formerly an architect and illustrator. This exhibition includes his work in oil pastels from 2014 to 2021 plus some recent oil paintings.

Many of Richard's works are vibrant oil pastel images of towns and cities around the world, focusing on aspects of the built environment, such as rooftops, streets, bridges and façades, occasionally juxtaposing these with natural elements, such as water or the surrounding landscape.

Richard is the Chairman and a Fellow of the Society of Architectural Illustrators (FSAI). He is Secretary to the Society of Artists in Architecture (SocAA) and Vice President of the Pastel Society (UK). He exhibits with the Pastel Society, NEAC, the Royal Society of Marine Artists (all at the Mall Galleries) and the SocAA.
