

## Junior Members

# Welcome

Junior Membership - for teenagers aged from thirteen to seventeen inclusive - is open to the children, grandchildren, nieces and nephews of Full Members.

Membership provides access to a wide variety of facilities at both clubhouses, including all the sports facilities free of charge and, for those aged over 16, the full range of restaurants, lounges and terraces.

Junior Members also receive their own membership card and a birthday card.

If you are a Full Member and would like to sponsor a Junior Member, please visit the Membership area of the Club website or contact the Membership Team at [members@royalautomobileclub.co.uk](mailto:members@royalautomobileclub.co.uk) or on 01372 229600. There is no entrance fee for Junior Members, just an annual subscription.

## Sports Facilities and Coaching

Junior Members of any age are welcome to use the Club's eight squash courts, the beautiful swimming pools and well equipped gyms at both clubhouses and the six floodlight tennis courts at Woodcote Park - all without adult supervision and free of charge.

Where necessary, these should be booked on their behalf by their sponsoring Full Member.

Junior Members may also bring guests to use the sports facilities, who will be charged the relevant guest fee.

The Club's highly experienced coaches are available to provide individual coaching in squash, swimming and tennis - with programmes tailored to each Junior Member.

Junior Members may also take part in the Teen Tennis sessions on Tuesday evenings without charge and the Junior Tennis Academy courses which regularly run on Sundays.

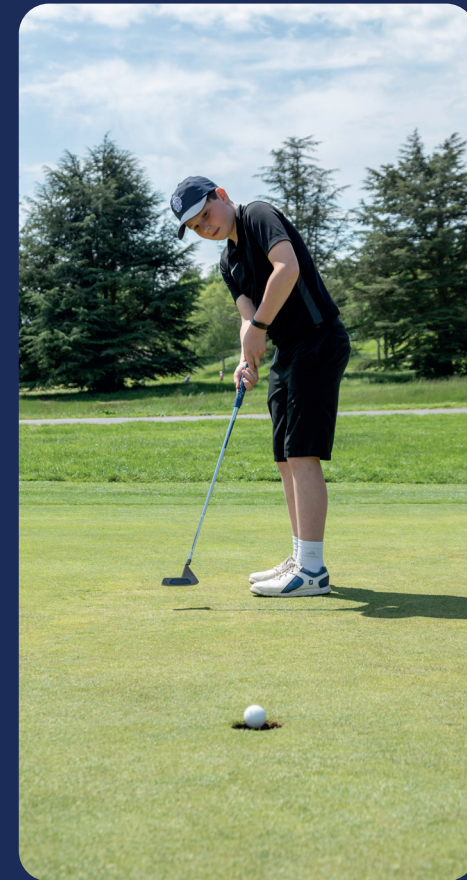

## Golf

Woodcote Park is renowned for its two glorious golf courses.

Woodcote Junior Members of any age may use the Coronation Course as part of their membership, without the need for an accompanying adult provided they can show one of our Club Professionals that they have reached an appropriate standard and understand the rules and etiquette of playing the game.

Woodcote Juniors will enjoy a substantially discounted green fee when playing the Old Course. There is no green fee charges for Junior Golf Pass Holders using either of the courses.

Coaching is available for all ages and abilities and we run Junior coaching courses on Sundays.

## Dining and the Clubhouses

All Junior Members are welcome to use, for themselves and their guests, the terraces at both clubhouses, the Fountain Brasserie and the Brooklands Room without an accompanying adult.

Once they are 16, they may use any area of the clubhouses, except the bars, without the need to be accompanied by an adult.

Of course, only members aged 18 or over may order or consume alcoholic drinks.
