

## **Dr. S.D.Jouhar FRPS (1901-1963)**

### **Vintage Fine Art Photography**

**Friday 25 March to Friday 13 May**

Dr. Sartaj Din Jouhar was a prolific photographer from the 1930's until he died in 1963. He was known within photographic circles as 'The Doctor' and he lectured and exhibited widely both in the UK and worldwide. In 1940 he became a Fellow of the Royal Photographic Society and in 1944 he was elected to the London Salon of Photography.

From the mid-1940's Dr Jouhar was a strong advocate that photography should be considered as a Fine Art and eventually he founded the Photographic Fine Art Association in 1961. The P.F.A.A. held an inaugural exhibition at The Royal Festival Hall in November 1961. It was the first exhibition ever in the UK that showed photography as a Fine Art.

This current exhibition consists of original pictures printed by SDJ himself, some of which are signed and additionally some photographic prints made more recently, from his original negatives.

All pictures will be sold with a Certificate of Authenticity.
