

## The Art of Motoring

Monday 31 October to Sunday 6 November

PICTURE GALLERY

Sotheby's is the host for our exhibition this year, as we showcase the finest works of 25 artists, painters and sculptors.

We are delighted to be including pieces from two of the world's greatest living painters, whose canvases capture pivotal moments in motor racing: Michael Turner and Dexter Brown. Neither have had their work shown in public in several years, and it is a rare privilege for members and their guests to be able to view new pieces.

We are also showcasing Tim Layzell and John Ketchell, contemporary motoring artists of world renown, together with the striking work of former Ferrari F1 and Le Mans winner Stefan Johansson. The art of Heidi Mraz comes to Europe from her native US for the first time and, together with Sotheby's, we're proud to also feature several examples of emerging talent who, we feel, have a great future.

The main exhibition is currently at Sotheby's at 34-35 New Bond Street, London W1S 2RP Monday 31 October to Saturday 5 November, 9.30am to 4.30pm.
