

The Guild For Creative Automotive Art Friday 27 January to Friday 24 February

The Guild of Motoring Artists (GMA) was established in 1986 as a group of professional and semi-professional artists, who shared a common interest in automotive art. Over the years it has attracted some of the best and diverse worldwide automotive artists through its selective membership, exhibiting around the UK with invitational exhibitions in the USA.

Our exhibition at the Club features work from 12 of our members in a variety of media and styles. You will find work from Heidi Mraz, the official poster artist for the Pinehurst Concours d'Elegance and Art in Motion Concours in New York. Heidi has also been commissioned to paint the winning cars of the Amelia Island and Pebble Beach Concours d'Elegance.

Stefan Johansson - following 30 years racing at the highest level including 10 years in Formula 1, driving for teams such as Ferrari and McLaren as well as winning the Le Mans 24 hour race for Porsche. 34 years later he now spends the same time and focus to perfect the craft of being an artist, creating new paintings from his studio in Santa Monica, California.

Ella Freire - a London artist and silk screen printer, successfully exhibiting at Salon Prive, The London Concours and the Club, Ella is now currently working on a series of commissions for private car collectors.

Anna-Louise Felstead - following a trip to Monaco during the Grand Prix Historique in 2008 where she painted her first ever racing car she has never looked back. She is internationally known painting historic and modern racing cars. Anna-Louise continues to travel the world attending events such as Pebble Beach, Amelia Island, Villa d'Este, Salon Prive, Le Mans and Monaco Grand Prix Historique.

Richard Wheatland - GMA founding member who is also a member of the Guild of Aviation Artists (GAvA).

Our objective is to become the one stop for quality creative automotive art. So whether your taste is for traditional compositions, tight representational illustration, loose and wild, abstract, digital vector or 3D sculpture and multi-media, you are sure to find a style that is right for you within the Guild's membership portfolio.
