

## **Rose Gallery: *Art To Live With***

David Merrigan

Friday 24 February to Friday 31 March

Rose Gallery sources paintings dating from the 18th Century onwards: in oil, watercolour and other media; by artists new and known; from all over the world. One thing unites these artists: they have all produced *Art To Live With* - beautiful paintings that give joy to life.

This exhibition draws together paintings from (and of) four continents: Africa, Asia, Australasia and Europe, in a variety of media; and includes several living artists. We hope that you find something that inspires you!
