HOW TO ORDER YOUR PICNIC BASKET

STEP ONE - PLACE YOUR ORDER

Email stirlingsreservations@royalautomobileclub.co.uk with your selection. Orders must be placed before 12 noon two days (48 hours) prior to collection. A collection time will be arranged with a member of the Stirling's Team, who will also take payment via credit card, debit card or membership account charge.

STEP TWO - COLLECT YOUR PICNIC BASKET

Present yourself at the Collection Point at the Lounge at Woodcote Park, no more than ten minutes before your allocated collection time. A member of the team will bring your picnic basket from the kitchen.

STEP THREE - ENJOY AT WOODCOTE PARK OR TAKE AWAY

Table seating is available on the designated picnic area in the Woodlands or Lakeside picnic areas. Alternatively you can take your picnic away to a location of your choice.

Please remember to return your picnic basket to the Lounge by 9.00pm that evening where a member of the team will be able to check if the basket is complete and take the basket to be thoroughly sanitised. Please note that an extra charge of up to £50.00 will apply if the basket is damaged or some items are missing.
