

Lucy Townsend

Beauty Therapist

Lucy joined the Cedars Sports team late in 2016. She studied Beauty Therapy at Brentwood Beauty Academy, then went on to gain experience in an independent salon in Hornchurch, Essex, before moving on to take a similar role at a large health club also in Essex.

Lucy then gained a slightly different experience by working as a makeup consultant for Chanel in Harrods before she got married and moved to Surrey, where she has since worked as a beauty therapist in a salon in Ashted.

Having already worked in the industry for a number of years, Lucy has a wide knowledge of different products and treatments and is looking forward to continuing her career here with us.
