

Sports Photography Exhibition

The Photography Activity Group

Friday 29 September to Friday 27 October

This exhibition provides the opportunity to enjoy the excellent work of fellow members at events organised by the Photography Group in 2023. Most events were open to all members, including cycling at the Olympic Velodrome, horse racing at Plumpton and Epsom, cricket at the Oval, the Henley Regatta and the annual Isle of Wight Yacht Race. A few images come from attendance by Committee members evaluating potential future events, including the Welsh national boxing championship in Cardiff.

If you feel inspired, then make sure you register your interest in photography on your personal profile on the website, so you are kept posted on future events. We hope that you enjoy the images.
