

Birthday Parties in the Walled Garden

Welcome to Birthday Parties in
the Walled Garden. Let the Club take the
strain of organising your child's birthday
party so that you can enjoy it almost
as much as they do.

Based in the Gardener's Cottage and
making full use of the facilities in the
Walled Garden, we can create a party
tailored to your requirements.

Walled Garden Manager

Frequently Asked Questions

- 1. How much time do I have in the party room?**
Two and a half hours.
- 2. Can I purchase additional food for adults?**
Yes, the café is available for guests to purchase additional food. Alternatively, you can pre-order adult sandwich platters.
- 3. Can I bring my own cake?**
You are more than welcome to bring your own cake.
- 4. Can we change the food that is included?**
The food options we offer cannot be amended.
- 5. Do you cater for allergies?**
Yes. We are able to accommodate special dietary requirements only. Please be aware that we are **not** a nut free facility so some food items may contain traces of nuts. Please give us as much notice as possible.
- 6. Do the parents have to stay if we have a party host?**
Parents are more than welcome to stay with their children should they feel this is necessary. However, there may be space constraints in the party room. We suggest children under the age of five should be accompanied by a parent. For children six years and over, we recommend that parents drop-and-go unless they feel that their child may not be comfortable without them there.
