

The Household Cavalry

by RIPLEY

Friday 5 to Friday 26 January

British photographic artist Ripley has created twelve large-scale portraits of the Household Cavalry Mounted Regiment.

The imagery features soldiers from The Life Guards and the Blues and Royals mounted on their horses and posed on buildings throughout London, overlooking the capital from Trafalgar Square to Canary Wharf.

A boxed-set of the twelve portraits was the official Coronation present from the Household Cavalry to His Majesty King Charles III. This was presented by Ripley and senior officers from the Household Cavalry to King Charles III at Buckingham Palace on Thursday 15 June 2023.

Limited Edition prints are available to purchase, from large framed exhibition pieces to smaller unframed editions (as exhibited at the Club) a beautifully presented boxed-set containing all twelve prints, greeting cards and more.

Ripley supports The Household Cavalry Foundation whose 'Duty of Care' includes operational casualties, veterans, serving soldiers and their dependents, as well as the Cavalry's four centuries' heritage and the welfare of their horses.
