

# The Guild of Motoring Artists

Friday 23 February to Friday 29 March

The Guild of Motoring Artists (GMA) was established in 1986 as a group of professional and semi-professional artists, who shared a common interest in automotive art. Over the years it has attracted some of the best and diverse worldwide automotive artists through its selective membership, exhibiting around the UK with invitational exhibitions in the USA.

Our second exhibition at the Club features works from eleven of our members in a variety of media and styles. You will find work from Bill Pack, Steve Goodwin, Jonny Ambrose, Jon Stevenson, Dave O'Brien, Richard Neergaard, Sean Wales, David Ginn, David Purvis, Brian Casey and Barry Hunter on display.
