

JON STEVENSON ART

FRIDAY 26 SEPTEMBER TO FRIDAY 24 OCTOBER

Jon Stevenson is a professional automotive artist based in Hertfordshire whose work is in some of the most notable private collections in the country and who has collaborated with companies and organisations including Porsche Retail, Jaguar Heritage, Tuthill, Escapade Silverstone and renowned classic Porsche specialists, Export 56.

Jon has featured in magazines including Classic Porsche and 911 and Porsche World and has exhibited previously at events and venues including Savile Row Concours, Supercar Driver Secret Meet Silverstone, Megaphonics at Boxengasse and the Guild of Motoring Artists exhibitions at the Royal Automobile Club.

After a 25-year career as a banking lawyer in the city at both Clifford Chance and latterly at JPMorgan, Jon decided to turn his passion for

all things automotive into a second career and took up painting professionally in 2022. Since then, Jon has focussed on Porsche, being an owner of a classic Porsche 356A himself in which he participated in the 2024 Targa Florio, but also has a love for many classics, particularly those from Italy having owned various Lancias, Fiats and Alfa Romeos.

Jon works predominantly in acrylic on canvas, on a large scale, looking for interesting angles, reflections and moments, to emphasise design features and create art that is visually impactful and true to the subject.

Jon works mainly on a commission basis and loves to travel to meet clients, establish a relationship to best understand their requirements and get an appreciation for the subject and the space where the artwork will hang.
