

# TWO TEE STARTS ON THE CORONATION COURSE

**Winter 2025-26**

Commencing Saturday 1 November 2025 and running through to Tuesday 31 March 2026, the Coronation Course will be operating a two tee start.

The purpose of the initiative is to provide greater playing opportunities during peak daylight hours, which is achieved through providing increased starting times from 8.00-10.00am each day.

The nature of a two-tee start requires space for those crossing over from each nine to play the back nine of their respective round. Tee times will therefore be available on the Coronation Course as follows:

8.00-10.00am: two tee start on both 1st and 10th tee.

12.30pm onwards: Single Tee Start 1st Tee.

Please remember to select the '10th tee' icon in the top right corner of your booking screen to view the 10th tee availability.

The Old Course will remain a single tee start from the 1st Tee.

### MIXED INVITATION DAY

Last Thursday 26 Golf Pass Holders and their guests enjoyed 18 holes of golf on the Old Course followed by a buffet lunch and prize presentation in the Cedar Room.

Pictured left are our Captains, Paul Miles and Susan Minihan, with Margot Waddup and her guest Paul Gibbon from St George's Hill won the Old Course better ball Stableford competition with 41 points on countback.

Thank you to all who took part in this fun day of golf in the company of your fellow golfers and guests.

### DRINKS ON THE GO - BOOK THE BUGGY!

Experience the convenience of the Club Shop and bar brought directly to you on the courses.

Quench your thirst and enjoy cocktails made for you including Negroni and Pimms, both served over ice and with a garnish. Alternatively, choose a refreshing cold beer or soft drink to keep you going for the rest of your round.

- On busy days, the buggy will be out and about driving the back nine to refresh members on an ad hoc basis.
- For further information and to book the buggy, please call the Club Shop Team on **01372 229 248**.
