

## EXHIBITION BY CATRIONA WOOD

---

MONDAY 5 TO FRIDAY 30 JANUARY

---

Catriona Wood is a contemporary artist based in London, known for her floral and sea paintings, now in homes and hotels across the UK, Europe, South Africa, Australia, and the USA.

Influenced by the Impressionists, Catriona's style is loose, expressive, and textured. She paints quickly with acrylics, building up visible brushstrokes and layers. Her work has been featured in *House & Garden* and *British Vogue* magazines. She has also advertised on the London Underground, and Netflix recently bought one of her original works for a US-based production.

Catriona exhibits in galleries and shows in and out of London, where she sells her original acrylic paintings and limited-edition prints. She also accepts commissions. Highlights of her first year as a full-time artist include exhibiting at: The Affordable Art Fair, Battersea; The Other Art Fair, Shoreditch; Henley Festival, Berkshire; and, her solo shows in galleries in Marylebone, Chelsea and Hampton Court.

Catriona studied a foundation diploma in Art & Design in Falmouth, and a degree in Graphic Design in Edinburgh and Boston (USA). Her time living in France and Australia, along with frequent travel, continues to influence her work.

After five years working as a management consultant in London—feeling uninspired and short on time to create—Catriona left corporate life in 2024 to pursue painting full-time. Her solo exhibition at the Royal Automobile Club's Picture Gallery marks her 10th show in just 500 days as a full-time artist.
