

## DAVID O'BRIEN MOSAICS

MONDAY 4 TO FRIDAY 29 MAY

David O'Brien is a contemporary mosaic artist creating distinctive works at the intersection of fine art, luxury culture, and motorsport. Working from his Lancashire studio, he produces handcrafted pieces composed of hundreds, often thousands, of individually cut tiles. His work captures not just the form of cars and cultural icons, but their energy, movement, and narrative. Exhibited at the Royal

Automobile Club, Silverstone, Savile Row Concours, Escapade, Exhibition of Speed at Shelsley Walsh, and Sleeping with Art, his work appeals to collectors who value craftsmanship and scarcity. Each piece is unique, with a limited number produced annually alongside private commissions. His work is designed not just to be viewed, but to be owned, lived with, and experienced.
