

MOTORING ART BY DAVID PURVIS

MEMBER OF THE GUILD OF MOTORING ARTISTS

FRIDAY 11 SEPTEMBER TO FRIDAY 23 OCTOBER

David's interest in painting started at school where successful local exhibits encouraged him to choose Art at 'A' Level and achieve 'A' Grade Distinction. Sadly, the realities of Grammar School life steered him away from Art College - but since then at first his motoring art and since moving to Olney in 2000 local scenes, sometimes with a motoring twist have helped him create hundreds of motoring related paintings.

David's been a Member of the Guild of Motoring Artists for 40 years, the Chairman for 10 years, more recently taking a second stint as Administrator and has exhibited with them throughout the UK, Europe and the USA.

He has built up a loyal local following with many personal commissions and nationally with motor racing themed subjects. A particular speciality is recreating scenes from black and white references into full colour paintings based

on extensive research.

Over the last five years David has been commissioned to provide work for several international motoring books.

Locally he's successfully developed Olney Christmas Cards, and Jigsaws. David regularly donates images for and produces the Newport and Olney Lions Charity Town Calendars and provides artwork, logos and creative material for numerous local societies and commercial businesses.

David is Gallery Manager for the Three Hares Gallery at Olney's Cowper and Newton Museum.

Recently semi-retired from a long career in retail marketing, David now enjoys devoting more time to enjoying and producing his art.

He has exhibited at the Club with the Guild of Motoring Artists and this is his second solo exhibition here.
